

AMISH ANTIVIRUS –

INSTALLATION INSTRUCTIONS

- 1. Remove the box from its wrapping. Keep the wrapping. It is good wrapping.*
- 2. Place the box on a sturdy shelf.*
- 3. Do not connect the box to anything. This is the most important step.*
- 4. Your protection has begun.*

TROUBLESHOOTING: If you experience a computer virus, you have a computer. Remove it.

REGISTRATION: Tell a neighbor.
